# Introduction

- Established in April 2018 with headquarters located in Côte d'Ivoire.
- A non-profit organization which aims to assist the youth and children in need.
- Born from the will of young people desiring to take up the challenges of Africa first-hand without any boundaries.
  - To guarantee a better future for the children.
  - To empower the minds of young people and transform their mentality
- Present in many African countries (Côte d'Ivoire, Ghana, Burkina Faso, Morocco, Niger, Central Africa, Sénégal, Mali).
- In Europe (France) and in America (Canada and USA).
- We have over 1200 volunteers to date.

## Our goal

- Redefine the image of Africa. Encourage the youth to become more aware and conscious of the needs of the continent.
- Guarantee every child has the right to grow up with everything they need to build a bright future for themselves, and Africa.

# Our Values

- Mutual respect.
- Love.
- Sharing with one another.
- Teaching of moral ethics.
- Promoting leadership.
